ENHANCES SKIN REPAIR

Supporting the successful  
recovery of cosmetic procedures by  
promoting skin health and repair.

SCIENTIFICALLY FORMULATED

# The new recovery accelerator for cosmetic procedures.

Introducing CosMedi Repair® cream, a groundbreaking medicine revolutionising post-procedure skincare. This innovative product complements your cosmetic aftercare regime, providing a high-quality solution to address unwanted after-effects. Developed by a team of experts, it offers a customised approach using genuine medicinal ingredients.

CosMedi Repair® soothes soft tissue trauma, supports wound healing, reduces pain and inflammation, and relieves skin irritation and sensitivity. Its antioxidant and antimicrobial properties make it ideal for minor cuts and abrasions.

Additionally, it promotes collagen formation, minimises scar tissue, and enhances skin repair. This cream also boosts hydration, maintains skin pH balance, and leaves your skin healthy. Upgrade your skincare routine with CosMedi Repair® and experience its transformative benefits.

CosMedi Repair® helps you achieve the best possible outcome for your cosmetic procedure.

# The science and innovation behind CosMedi Repair®

## AN INNOVATIVE ALL-IN-ONE FORMULA

CosMedi Repair® cream is a groundbreaking medicine designed to revolutionise post-procedure skincare. It relieves soft tissue trauma, supports wound healing, enhances skin repair, reduces pain and inflammation, soothes skin, decreases sensitivity, and promotes skin regeneration.

This innovative product is also an antioxidant and antimicrobial, making it ideal for minor cuts and abrasions. Unlike traditional approaches that require multiple products, CosMedi Repair® is an all-in-one solution, effectively addressing post-procedure side effects with its comprehensive formulation. Say goodbye to the need for antimicrobial creams, scar gels, moisturizers, and hydrocortisone creams — CosMedi Repair® has it all covered. Experience the transformative power of this revolutionary aftercare cream.

Choose CosMedi Repair® for comprehensive aftercare support from a cosmetic procedure or surgery look and feel your best. Effective skin healing and repair after cosmetic procedures is important for several reasons:

## The importance of effective skin healing and repair:

- Aesthetics
- Comfort
- Reduced risk of infection
- Improved outcomes
- Reduced risk of complications

REPAIR

## Our Quality

This medicine is included in the Australian Register of Therapeutic Goods. Inclusion in the register requires that:

- It's been formulated to be effective.
- All of the ingredients are pharmaceutical grade and are individually assessed for quality.
- The product is manufactured in a facility that complies with the internationally recognised standards for medicines manufacture.
- Every batch is tested before its released for supply.

It's all part of our commitment to ensuring quality products that are efficacious and specifically designed to nurture your skin.
